

## MONTESSORI INSTITUTE OF AMERICA

Diversity, Respect, Responsibility

June 26, 2019

Our commitment to Montessori education is what binds us together!

With this **Statement of Unity**, we send greetings from the Montessori Institute of America to all who work to secure Montessori education in Asia - parents, teachers, trainers, Teacher Education Owners and Program Directors, MIA Board Members, friends and supporters.

Working together, in collaboration and unity, we will be most successful in fulfilling our mission and making our vision a reality. Our WeChat groups and Facebook groups are open to all interested persons to share Montessori information, classroom experiences, and to collaborate with courtesy and respect.

When you have any concerns or questions, we ask that you direct these to the attention of the MIA Board ([admin@mia-world.org](mailto:admin@mia-world.org)) for answers and resolutions. We have members of the MIA Board and friends willing and able to translate, if needed.

Please let us know how we can support you and the work you are doing to further opportunities for Montessori Education throughout Asia.

Yours, in friendship and unity,

### Montessori Institute of America
