

Membership Opportunities!

MIA Membership runs from July 1 to June 30, but you may join at any time.

Montessori Institute of America is a collaboration of teachers, education programs, schools, families, and all those who value the Montessori Method of Education.

Our Mission is to provide a harmonious, global organization to support Montessori philosophy through teacher preparation, schools, and individual members.

Your Annual Membership supports a global, non-profit organization working to develop Teacher Education Programs, providing school mentorship opportunities, and contributing to a global mindfulness and understanding of Montessori Education.

Individual MIA Memberships

Individual members add strength to our mission and vision and aid us in advancing Montessori principles to the global community.

Individual members receive discounted registration fees for MIA conferences and workshops. Individual members receive the MIA Newsletter, and opportunities for idea sharing and networking.

Annual dues for Individual Members are \$50.

School MIA Memberships

School Membership also includes valuable benefits and opportunities: discounted regional and international conference fees, MIA newsletters, school development mentorship, teacher education programs, and global community connections. School members may be highlighted in newsletters, and advertised on the MIA web page.

We are excited to invite you to be a part of the new development of the Montessori Institute of America. Today, we are building the groundwork for the future. Together MIA members are a collaborative part of a movement to improve education for children, and adults, around the world. We advocate the development of the whole child, recognizing Dr. Montessori's emphasis on the spiritual dimension of the child and adult.

Welcome To MIA! We look forward to working with you.
